Kumar Group of Industries

INTRODUCTION

Kumar Group of Industries is a multi-dimensional corporation with its presence in Mining, Stone Crushing, Construction, Automobile Retail, Real Estate and Industrial & Medical Gases. KGI was formed by Mr. Shiv Kumar, an entrepreneur par excellence who belongs to a 100 year old business class family of freedom fighters from Distt. Hapur, Uttar Pradesh.

Today, the flagship company of the Group- LSC Infratech Ltd., is India's largest Stone Crushing company producing Crushed Stone Grits and Sand. Started in 1991, the first unit was setup at Haldwani, Distt. Nainital under the name – Lalkuan Stone Crushers Ltd. Today LSC has 10 Stone Crushing units, each with a capacity of 100 lac MT/ annum having presence in 3 states of India.

We also have a State of art Foundry Sand and Glass Sand manufacturing plant at Bhusawar, Distt. Bharatpur (Rajasthan). In the year 2013, the group ventured into the automobile retail industry by acquiring Dealership of Mahindra & Mahindra Limited for full range of commercial and personal vehicles in Udham Singh Nagar, Uttarakhand. Also, In the year 2017 the group expanded its business in automobile retail Industry by acquiring the dealership of FCA India Automobiles Pvt. Ltd (Jeep & Fiat) at Dehradun, Uttarakhand.

Promoters' Profile

“No defeat is final until you accept it” Shiv Kumar (Chairman & Managing Director)
