INTRODUCTION

Kumar Group of Industries; **established in 1969** is a multi-location industrial conglomerate; headquartered **at Rudrapur, Uttarakhand, India**. Over the past **six decades**, the Group has built a strong and trusted presence across multiple sectors, including **Mining (Sand & Gravel), Stone Crushing, Silica Sand Manufacturing, Block Mining, Real Estate, Automobile Retail (Mahindra & Jeep), Industrial & Medical Gases and Agroforestry**.

The Group's flagship Company, LSC Infratech Ltd., stands as **Asia's largest Stone Crushing Company**, specializing in the production of **Crushed Stone Grits, Gravel, Manufactured Sand, and Washed Sand**. Established in **1991**, the Company set up its first Crushing Unit in **Haldwani, District Nainital, Uttarakhand**, under the name **Lalkuan Stone Crushers Ltd**. The Company operates **10 state-of-the-art plants** in Uttarakhand and Rajasthan, ensuring sustainable development and maintaining an average annual production capacity of **over 18 Million MT**.

Supported by a dedicated workforce family of over 1,900 members, LSC Infratech has become a cornerstone of India's infrastructure supply chain, catering to the country's rapidly expanding Infrastructure, Real Estate, and Industrial sectors. Through innovation, sustainability, and operational excellence, it continues to redefine standards in resource-based industries.

Expanding beyond its core strengths, the Kumar Group entered the **Automobile Retail Sector in 2012** with the establishment of **Kumar Autowheels Pvt. Ltd.**, an authorized **Mahindra & Mahindra dealership** serving the **Udham Singh Nagar region**.

The Company now operates **4 Mahindra showrooms**, including **3 full 3S (Sales, Service & Spares) facilities**, along with **Commercial and Last-Mile Mobility Operations**.

In **2017**, the Group extended its presence in the premium Automotive segment by acquiring a **Jeep dealership** under **LSC Autowheels Pvt. Ltd.**, featuring a **state-of-the-art 3S facility in Dehradun**, catering to Customers across Uttarakhand.

Continuing on its path of strategic diversification, the Group launched **Block Mining operations in Rajasthan in 2024**, followed by the acquisition of additional **Mining assets in Andhra Pradesh in 2025**, further strengthening its Mining & Mineral Resources Division.

Through its multi-sectoral presence, strong vision, and unwavering commitment to quality and sustainability, the Kumar Group of Industries continues to power India's growth story, establishing itself as a Leader in industrial excellence and responsible enterprise.

Promoters' Profile

Mr. Shiv Kumar (CMD)

Other Group Companies

LSC Infratech Ltd.

Established in 1991, the flagship Company of the Kumar Group, LSC Infratech Limited, is Asia's largest integrated Aggregate Manufacturing Company leading in production of Crushed Stone Grits, Gravel, Manufactured Sand and Washed Sand, through advanced and large-scale operations. LSC Infratech is the first Company in the field of Mining and Stone Crushing to build a family of 1,900 passionate individuals shaping the Company's growth story. With an annual production capacity exceeding 18 Million MT, the Company plays a pivotal role in supplying high-quality materials for Roads & Highways, Mega Infrastructure Parks, Real Estate and Industrial projects across the region. Backed by more than three decades of experience, LSC Infratech operates 9 state-of-the-art plants equipped with world class technology imported from leading countries around the globe.

LSC Mines and Minerals Private Limited

LSC Mines & Minerals Pvt. Ltd. is India's largest manufacturer of high-purity Silica Sand, serving as a cornerstone of the nation's Glass and Foundry Industries. With an annual production capacity of 1 Million MT, the Company produces premium white Silica Sand containing 99.5% to 99.99% Silicon Dioxide (SiO₂) from its integrated Mining and Beneficiation operations in Rajasthan. Our state-of-the-art Silica Beneficiation facility ensures world-class, uniform quality through advanced washing and processing systems that deliver exceptional purity and consistent particle size. Each batch originates from manually selected rocks, maintaining stringent quality standards suitable for all types of glass and glassware manufacturing. We proudly supply our high-grade silica sand to leading multinational corporations including Asahi India Glass Ltd., Gold Plus, Saint-Gobain, and Hindusthan National Glass & Industries Ltd. Through innovation, precision, and reliability, LSC Mines & Minerals Pvt. Ltd. continues to power India's glass manufacturing excellence and industrial growth.

KUMAR AUTOWHEELS PVT. LTD.

Kumar Autowheels Pvt. Ltd., incorporated in 2012, began its journey by acquiring the dealership for Mahindra & Mahindra products, encompassing Personal Vehicles, Commercial Vehicles, and Last Mile Mobility solutions. Over the years, the Company has expanded significantly, establishing a strong presence across Uttarakhand with a robust network of four Personal Vehicle showrooms, including three full 3S (Sales, Service & Spares) facilities. The Company also operates a dedicated 3S facility for Commercial Vehicles and two showrooms for Last Mile Mobility (LMM) Vehicles, one of which is a full 3S setup. Through this extensive infrastructure, Kumar Automobiles effectively caters to a wide and diverse Customer base across the state, ensuring seamless sales and after-sales experiences. Our commitment to excellence, Customer satisfaction, and operational efficiency has earned us multiple accolades over the years, including the prestigious "MD Delight" award, a testament to our performance, service quality, and unwavering focus on Customer delight.

DEVBHOO MI INFRAPROJECTS LLP

Our real estate firm is committed to creating landmark developments that combine modern living, convenience, and long-term value. We are developing an **integrated township** spread across 18 acres, thoughtfully planned to offer a balanced lifestyle with residential spaces, essential amenities, and open surroundings. At the front, the project features a premium high street market designed to bring retail, dining, and everyday convenience to residents and visitors alike. Strategically located on NH 109, the development enjoys excellent connectivity and strong visibility, making it an ideal destination for both end-users and investors. With its prime location and integrated planning, this project is designed to become a vibrant community and a future-ready destination for growth.

LSC AUTOWHEELS PVT. LTD.

LSC Autowheels Pvt. Ltd., incorporated in 2017, proudly represents the Jeep brand as an authorized dealership under the Stellantis India network. The Company operates a state-of-the-art 3S facility (Sales, Service & Spares) in Dehradun, strategically positioned to cater to Customers across the entire state of Uttarakhand. Built on a foundation of premium service standards and Customer-centric values, LSC Autowheels delivers an exceptional retail and ownership experience, reflecting the legacy and sophistication of the Jeep brand. Over the years, the Company has earned multiple awards from Jeep India across various categories, recognizing its commitment to excellence, superior sales performance, and outstanding Customer satisfaction. Through continuous innovation and Customer engagement, LSC Autowheels continues to strengthen Jeep's presence in the region.
